

**ECONOCE**

**THE ORGANIC NUTS SPECIALIST**

**ORGANIC**

WE ARE AN ITALIAN COMPANY BASED IN RAVENNA, IN THE HEART OF ROMAGNA, WHERE WE HAVE BEEN PRODUCING, SELECTING AND MARKETING NUTS AND DRIED FRUITS IN ITALY AND EUROPE OVER THE PAST 40 YEARS.

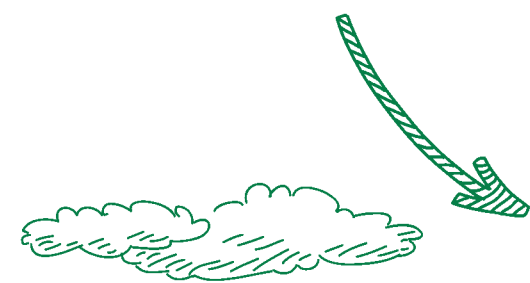

Ethics is what we believe in and how we decide to act each and every day. Ethical Quality in our view is this: fair relations with our suppliers, far from the lowest price approach, trying to offer to our consumers the finest products, as natural as possible.

## OUR VISION

“ Be a reference point for healthy and sustainable food, putting health, planet and respect for people at the heart of all we do, with the ultimate goal of influencing the entire food industry. ”

Whenever possible, we choose to purchase raw materials from Italian suppliers that we visit personally and with whom we establish direct and long-term relationships.

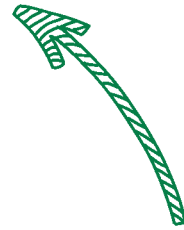

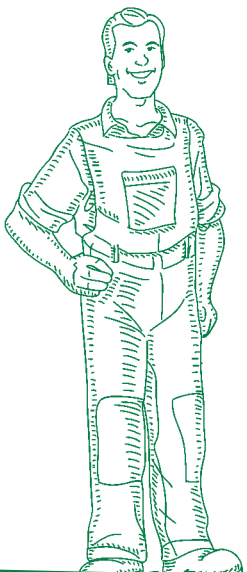

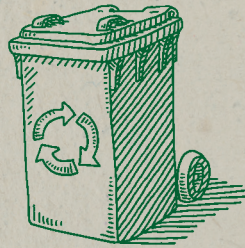

In 2018 we officially became a benefit company, which is why every year we invest 10% of our profits in projects to support the well-being of our community.

In 2019 we officially turned into a B Corp.

**Certified**  **Corporation**

B Corporations® (B Corps™) are certified companies that use business as a force for good, respecting the highest standards of social and environmental performance, transparency, and responsibility. There are currently more than 4000 B Corps operating in over 153 different industries and 77 countries.

100% of the electricity we purchase is obtained from **certified renewable sources**. In the year 2020-2021 we **reduced the packaging used by 25%**. At the same time, we conducted a comparative study on the life cycle of the materials used in order to better **direct our choices towards increasingly sustainable and 100% recyclable packaging**.
